How to Recognize Your Wealth Building Opportunities: Complete Step-By-Step Instructions

How many times have you heard about someone who, *on a hunch*, bought stock in an unknown company or started an offbeat business and became a millionaire? How many opportunities have you allowed to pass you by because you didn't recognize the true potential or value of what was before you? Part of having a *Wealth Mentality* is being able to quickly evaluate information for potential opportunities, and determine if the information is worth more investigation. If you're tired of sitting on the sidelines and truly want to take advantage of opportunities that come your way, then don't miss this breakthrough webinar with Power Strategist Sherrin Ross Ingram as she introduces tools and techniques you can immediately use to:

- ★ Uncover and remove blocks to developing your ability to evaluate opportunities
- ★ Quickly size up potential opportunities
- ★ Become more insightful about evaluating opportunities
- ★ Organize and position information for action steps
